	The Return		60
	The Two Readings		60
	The Frozen Century		61
	The Last Words		63

Notes

Chapter numbers follow the plan; the file names in chapters/en carry the same numbers, so The Reading is 16-the-reading.typ although it currently follows chapter 8 in the assembled draft. Page numbers shift whenever a chapter is revised; this table is regenerated from the assembled draft by toc.py, not maintained by hand. Appendix, The Receipts, is planned and will be seeded from the concordance.
